

MOTHER'S DAY EVENT

CMHA held a resident brunch for mothers at Oakwood

On Friday, May 8, 2009, CMHA's Southeast AMP threw a Mother's Day celebration at Oakwood Villa for residents.

More than 40 people gathered in the community center that day including CMHA AMP Leader Janet Allen, Property Manager Deaonca Bouguere, and Local Advisory Council President Charlotte Christian.

"I enjoyed the Mothers Day Brunch with all the mothers of Oakwood Villa and Gardens," said Deaonca Bouguere, CMHA Manager. "It was a great turn out and we also were able to serve many of those who were sick and shut in to assure that they were not forgotten on Mother's Day."

Residents enjoyed a wonderful lunch and dessert buffet as well as chair massages for moms from Besspinzone's at Massotherapy Associates, Mary Kay Satin Hands hand care offered by volunteer residents, and raffle prizes such as small potted plants and flowers donated by Petities Gardens Center and sweet scented hand and body lotion. The families in attendance were happy and honored to be a part of this special annual event.

"The event was super! I had a really nice time," said CMHA resident Barbara Cowan of Oakwood Villa.
