

Cuyahoga Metropolitan Housing Authority Receives Award

On June 4, 2010, the Cuyahoga Metropolitan Housing Authority received the Outstanding Member of the Center for Family and Children's Family Award. This award recognizes an organization within the community who has contributed to the well-being of families and children in the Greater Cleveland area. CFC currently operates the Bingham Daycare Facility at CMHA's Old Cedar Estates located on Central Avenue and East 24th Street.

As you may recall, in November of 2009, over 200 volunteers from CMHA, Center for Family and Children, and City Year joined together to build a new playground all in one day for the small children of the Bingham Daycare. This playground provided much needed recreational space for the children, while the Daycare serves as an essential component of the community.

"CMHA is extremely grateful to receive this award," said George Phillips-Olivier, Chief Executive Officer for CMHA. "CFC is a great partner, and we look forward to future collaborations that will benefit the residents of CMHA as well as the Greater Cleveland area."
