

King Kennedy AMP works with community partners to provide resources for families!

In conjunction with the Cleveland Cavaliers legends and Six Duece Enterprises, King Kennedy AMP hosted a class on childhood safety at the Boys and Girls club on 11/25/08.

In addition, Six Duece Enterprises provided turkeys for families who registered for the free class. All families that attended had the pleasure of getting valuable information on child safety as well as meeting Cavalier legends Jim Chones, Barry Clemens and Campy Russell.
