CMHA Senior Jamboree 2010

On Friday, June 18, 2010, CMHA held its 2010 Senior Jamboree at Brookside Reservation in Cleveland. The event was nautical-themed and included food, jazz music, games, and dancing. Close to 1,000 people were in attendance, and while fun was the ultimate goal, health screenings were provided for the CMHA seniors.

A special thanks goes out to the Beachcrest, Euclid Beach, Union Square, and Cedar properties for their support in making this event a success. Others such as CMHA male mentor group "Brother to Brother" and graduates of the Cleveland School of the Arts participated as well. Costume contests for the best pirate and best sailor were held, and even CMHA CEO George Phillips-Olivier and Vice Chairperson of CMHA's Board of Commissioners Doris V. Jones participated as Captain and First Mate.

Bruce Bennett, Self Sufficiency Coordinator for CMHA said, "The weather was perfect and laughter and smiles were in abundance. I look forward to next year's experience which I know will be even better."
